

Nokia 6590i SIM Card Replacement

Remove the phone's SIM card

Written By: Colby Leslie

INTRODUCTION

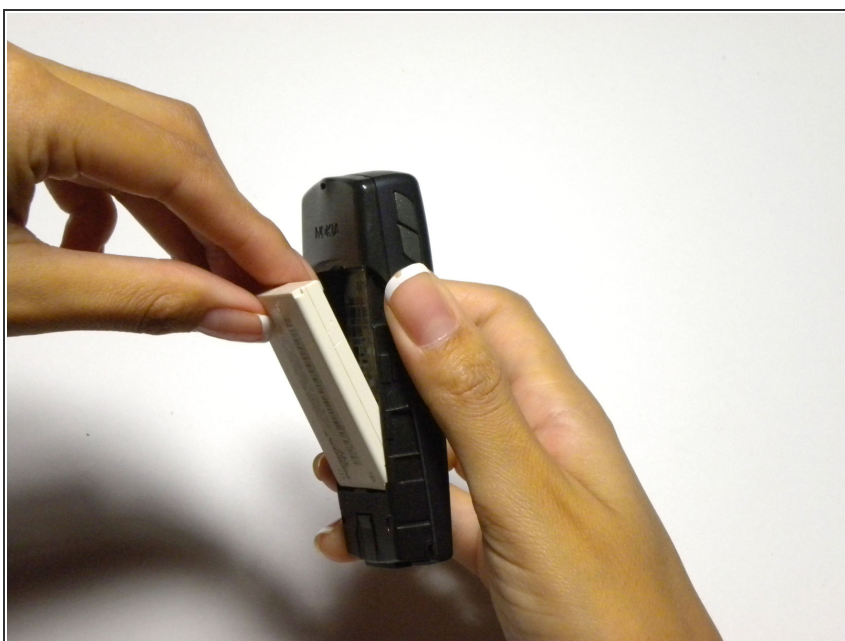

This guide will show you how to remove the phone's SIM card

Step 1 — Battery

- Press the button to remove the back cover.
- Pull the cover downward and lift it off while still pressing the button.

Step 2

- Lift the battery out of the phone by pushing down from the top and pulling out

Step 3 — SIM Card

- Open the small door covering The SIM card by pulling down from the top

Step 4

- Lift the SIM card out of the phone

To reassemble your device, follow these instructions in reverse order.
